It's not too early to be thinking about the 2011 ADM Conference and 50<sup>th</sup> Anniversary Celebration at University Christian Church and TCC in Ft. Worth next summer from July 14 through July 18. The Conference Planning Team of Gala Strunk, John Opsata and Greg Nunn have been hard at work planning something very special for ADM's 50<sup>th</sup> Anniversary. If you haven't been to a conference in a year or two, this will definitely be the year for you to return. Visit the ADM website often: [www.adm-doc.org](http://www.adm-doc.org)

It's not often that the out-going President bows in homage to the new one, but Kay Sherrill was more than happy to pass the baton/gavel to Gala Strunk as the Lexington Conference drew to a close. Many thanks to Kay for her hard work in leading the Class of 2010 and to Gala as she leads her team toward our 50<sup>th</sup> Celebration!

The group of Past Presidents at the 2010 Lexington Conference included (from back row to front): Myra Achuff, George Campbell, Connie Ford, Larry Sivis, John Malget, Kim Clowe, Nancy DeWees, Brad Burnham, Kristi Hill, Greg Nunn, Gala Strunk and Dee Dee Gain.

Ruth Moore, Susan Adams, Tim Williams and Shannon Moore (not shown) make up the ADM Council Class of 2013. Was so good to have Susan join us for the closing of the conference and officially come back onboard as a new council member.

We're not sure, but we suspect that these fine young ladies made arrangements with Tim Waugh to have some additional, very special handbell instruction. You can tell that they were having a very "good" time.
