CHRISTMAS 2016

Merry Christmas & Happy New Year

Now that 2016 is coming to a close and you're making New Year's Resolutions and plans for 2017, your ADM family encourages you to mark your calendar and give serious thought to being in Indianapolis for the 2017 ADM Conference which will be in conjunction with our denomination's General Assembly. ADM activities will begin on Friday, July 7, and then continue with GA events from the 8th through the 12th. Check the ADM website, www.adm-doc.org, often for complete details as well as forthcoming ADM newsletters.

The 2017 Planning Team of Dana Lobaugh, Suzanne Hatcher, and Jeff Myrmo has been coordinating with the committees of the national office of the Christian Church (DOC) since 2015 when it was decided to include the ADM conference with the General Assembly in 2017.

Wouldn't it be wonderful to have a strong showing of ADM involvement and support with 200 or more attendees in Indianapolis? That's an average number we had each summer in years past. With your help in spreading the word to others you know who could benefit from membership in ADM and its annual conference, we could grow our organization to what it used to be.

Stay tuned for more information after the first of the year, but in the meantime, visit the ADM website, www.adm-doc.org, often!
