ADM Update!!

Whether you do or do not know Tom Wood, our long-time ADM “Guru” (having retired in 1992), avid supporter (did just about everything possible for ADM), and liaison with the central church offices, he will soon turn 90! On this monumental birthday, let’s once again remind him of our love and gratitude by showering him with cards. His contact information is:

2/10/1927- Tom Wood, c/o Anita Wood Schrader, 1341 Laurel Oak Dr., Avon, IN 46123

So hope you’ve already made plans to attend the 2017 ADM conference which will be combined with this year’s General Assembly (GA) of the Christian Church, DoC, in Indianapolis, IN. The GA officially begins on **July 8**, and the 2017 ADM Planning Team is finalizing plans which will give details of how the ADM gathering will be woven into the GA. All of that information will be sent via email and also outlined on the ADM website when available. ADM’s primary goal with melding in with GA was to let additional people know more about ADM and invite them to join/participate/attend future workshops. Hope to see you in Indy!

ADMer, Rev. David Edwards, continues to share his creations and worship recommendations through his email, dledwards55@aol.com and website, www.davidledwardsmusic.org. If you are looking for enhancements to your worship services, look no further than the wide variety of material that David makes available. If you are looking for something specific, David would be more than happy to hear from you. Any of you are more than welcome to share “things” that you’ve prepared or have found useful in your own churches.

As usual, if you have anything you’d like to share with those on the ADM email lists, don’t hesitate to send that information to Brad Burnham, bradb1007@gmail.com. He welcomes your comments, suggestions, and material between conferences that would be of benefit to everyone.
